**Importance:** High

Fyi – we have a last call with the contractor at 10:00 this morning. Plan is for us all to meet for lunch tomorrow at the hotel before heading over to the venue.

Chris

**Importance:** High

Hi All,

Attached is the current list of registrations. 187 registered to attend, 62 want to make comments (this list does contain the 8 EPAers & 3 ERGers names as well). As an FYI, two new registrants marked they have ADA requirements, I reached out to one, but the other did not supply an email address so I have no way to contact him.

I also reached out a fourth time to Jenn Fennsey to ascertain her needs, thus far, no response.

As an FYI on the protest event's Facebook page there are 43 people who have said they are going to the protest, 150 additional people are interested. Of course this isn't a guarantee of anything and the word may be going out in other ways. The Bradenton Times just did an online piece on it today.

Safe travels everyone!

Can someone please send me the list of names of everyone from EPA who will be at the hearing? I'm printing name tags today and it's important that I include ones for EPA.

KIP, who is going to be sitting at the head table I believe you said it as you and Jeaneanne Gettle. Would you like me to print tent cards with your names on them for the table? If so, anyone else who may be seated up there with you or anyone else you think needs one? (I'll print one for Jan too, but she'll be off to the side, not at the head table with you.)

**Subject:** revision to website

Paul and I created the below language to add to our website. In addition to ERG sending emails to pre-registered speakers, I think the below language will comply with the public notice statement "If the need to reduce the time limit for comment is known in advance of the meeting, EPA will attempt to notify those who have pre-registered." Let me know if you have comments by 10AM tomorrow (1/24).

Due to the number of participants that have pre-registered to speak at the public hearing, oral comments will be limited to a maximum of three minutes. Participants who have pre-registered will be assigned speaking slots based upon their arrival at the hearing. Participants who have not pre-registered online but wish to speak will also be assigned speaking slots at the hearing, but will be given slots for speaking after pre-registered speakers. EPA can not guarantee that all persons will have an opportunity to contribute oral comments; however, EPA will accept written comments through February 4, 2020. Instructions for providing written comments are available on this website and within the public notice.
